Dedicated and hard-working IT System Hardware with 3 years of "HARD-SKILL" Basic hands-on experience in basic computer hardware diagnostics, OS deployment and basic technical troubleshooting, combined with a TESDA Cyber Threat Monitoring Level 1 certification. I believe in continuous learning, professional growth, and maintaining humility, strong work ethics, and respect in every environment I step into. My goal is to leverage my technical foundation to support daily IT operations and log analysis, contribute effectively to the team's goals, and continuously improve my skills to add long-term value to the organization.

Rey-Cyber Threat Monitoring L1 (Trainee)

CORE TECHNICAL SKILLS

☐ Wazuh SIEM
☐ FortiGate Firewall
☐ Nmap / Zenmap
☐ Multi Bootable Fdrive
☐ Log Analysis
☐ Vulnerability Scanning
☐ Linux / Windows OS
☐ System Servicing
☐ Hardware Diagnostic
☐ MS Office Suite

TECHNICAL & MECHANICAL

Basic Electrical & Mechanical:
☐ Troubleshooting & safety protocols

EDUCATIONAL

ALS-PASSER 2018
Secondary Education Graduate | 2018

Gen. T. De Leon Elem. School
Primary Education Graduate | 2005

PERSONAL DETAILS

Birthdate: Dec 05, 1993
Birthplace: Valenzuela City
Gender: Male
Civil Status: Single
Citizenship: Filipino
Languages: English, Tagalog
